

EDWIN W. BEITZELL COLLECTION

This collection has subject files whose material emphasizes Maryland and Saint Mary's County history and culture, especially the Potomac River. There is material about Mr. Beitzell's service with the Maryland Historical Trust and Saint Mary's County Historical Society. There are manuscripts of his four published books and copies or manuscripts of many of his published articles and speeches. Mr. Beitzell corresponded with several friends for many years and one friend kept most of those letters and gave them to the Society. Mr. Beitzell has a few photographs in his collection, including a set of aerial photographs of St. Clements Island and Bay and the 7th district of the county. [1985.002+ There are folder level records for most of Mr. Beitzell's material.]
